1. The first of the two main parts of the report is a
summary of the work done by the group during the
period from 1961 to 1963. This part is divided into
three sections: (a) General, (b) Specific, and (c)
Conclusions. The second part of the report is a
detailed account of the work done by the group during
the period from 1964 to 1965. This part is divided
into two sections: (a) General, and (b) Specific.
